

HAPPY Graduation

To my dear friend Tharushi,

✨ Congratulations on your graduation! 🎓💐

I feel so grateful to have you as one of my closest friends during my university life. These past 1.5 years with you have been truly special, from countless group projects, assignment reports, viva, and diagrams (lol), to the endless chitchats that always brightened my days. Those memories will always hold a special place in my heart.

Thank you for always being there for me through all the ups and downs, especially after those tough exams and when I am stressed 😊. You never let me feel alone, and that truly means more to me than I can ever put into words.

I know you're going to do amazing things in life, you honestly deserve all the good stuff that's coming your way. Wishing you loads of happiness, love, success, and everything that makes you smile. Just keep being your bright, cheerful self always! 💖✨

Loving,
Janithya.
